Doctors Day

On 1st July we celebrated Doctors Day. The Chief Guest was our former student Dr. Sameera, The service rendered by doctors is immeasurable, so we honoured everyone who are in this profession.

Clubs

All work and no play makes Jack a dull boy. Various co-curricular activities were held under different clubs to develop a child physically, morally, socially, mentally and to hone skills in co scholastic areas. Regular club activities were held in which the students participated and displayed their calibre. The different clubs are music, dance, sports, arts, eco, science, mathematics and language club expression. Apart from this school radio club keeps the students entertained during the recess. All these ultimately aim at the all-round development of students and imparting happiness and building up strength and confidence.

Communicative skill is the most relevant skill that student must develop in this present society. Therefore in all the classes the students before commencing the class present different topics before their classmates. They also do the presentation before the school assembly once or twice in a week. It develops their public speaking skills and boosts up their confidence.

Senior Citizen Day

On 8th August we celebrated the Senior Citizen Day. The chief guest was Mr. Lawrence T. J the retired faculty Head of our Literature Department. He enlightened the students that all the comforts we experience in this world today are the result of the sweat of our elders, so it is our duty to pay them due homage.

Independence Day

On 15th of August Independence Day was celebrated with due respect to our freedom fighters. Due to poor weather we couldn't do anything still the presence and the message of the chief guest Mr. Sathar was very inspiring.

Onam

On 6th of September we celebrated the Teacher's Day and Onam together. Children were in a mood of excitement to see Maveli. Nadanpattu was performed by PTA member Lalan and team.

On 2nd October the birthday of Mahatma Gandhi was observed. Upholding his values we cleansed the surroundings. We took the pledge to follow the value of Ahimsa and Truthfulness.

Children's Day

On 14th of November, Children's Day, we made a unique celebration by making the children feel how valuable and dear they are to us. Our wards realized that they are dear to all. Teachers entertainment programme was mind blowing.

Excursion and field trip

Strength does not come from physical capacity it comes from unity. The management organized 4 trips in this academic year. Learning by experiencing is the prime agenda behind Field trips and Excursions. The following places they visited. Silver storm, Dream World, Thiruvananthapuram, Ooty and Mysore. It was really awesome as it enriched their knowledge and admiration of scenic beauty. They admired the beauty and the uniqueness of the place.

Classes I to III	Silver Storm
Classes IV to VI	Dream World

Christmas Celebration

On 20th December we had a colourful Christmas celebration. The chief guest was the Hon'ble Deputy Mayor Mr. K. R. Premkumar. Christmas Card Designing Competition was conducted. Shaharban Nizar of Class VIII won the first prize. Christmas Tree, Christmas Dance, tableau and Christmas Carol competitions also were conducted.

Vigilance Awareness Week

“I don't even call it violence when it's in self-defense; I call it intelligence.” (Malcom X)

16th December is the day of integrity. Accepting and practicing tolerance in a special society like ours is really challenging in spite of all the differences.

Creating awareness among our students is the need of our time. We organized a one week programme in which the students presented a number of activities like tableau, one act play and skit in connection with self protection. Lower section conducted walkathon and the senior boys and girls took part in cyclothon. It really inspired the children to be vigilant and watchful in situations.

Students’ seminars and workshop

To ensure that our students are well equipped with knowledge to face any challenges, we have focused sessions on special topic including basic life support, health, hygiene leadership skills, career planning and development.

On 22nd June Rev Fr. Poulouse took a special session on ‘Time Management’ for students of Class X and XII.

For students of Class 7, 8 & 9, an awareness programme based on the topic 'say no to drugs' was arranged at Don Bosco, Palluruthy.

'Artificial Intelligence' a unique session was arranged for High School students.

Health and Hygiene Class – 4 sessions were arranged for the students of Class 1-12 by

Dr. Ann.

Giving special impetus to 10th and 12th students on how to face exams in a responsible way and how to face the realities of life and become a successful person in life, a special session was conducted by Rev. Fr. Sabu, Professor, Department of English, SH College, Thevara.

Class Inspection

Every month surprise inspection is conducted. This makes students more vigilant and disciplined and keep them from straying into any sort of unhealthy and unpleasant activities.

We should not ignore the performance of Aarav M. Kammath who came in to limelight for the letter he wrote and drew the attention of the Judge of Kerala High Court about the pathetic condition of the public roads. Congratulation Aarav. We are proud of you.

Eight of our students are participating in St. Albertine Science Exhibition at Kalamassery.

PTA

Strength does not come from physical capacity, it comes from unity.

We firmly believe that communication between parents and teachers goes a long way in improving the efficacy of education. The parents teacher meetings were often held and for the 10th and 12th this meeting is quite common. Our PTA President Mr. Roy Lonappan is supported by 9 executive members. Their service is always commendable. In this academic year we conducted two general body meetings in which two resource persons spoke about how to bring up children in this challenging society. Mr. Lijo and Rev. Fr. Sabu guided the parents how to mould the children and make them responsible citizens. Rev. Fr. Poulouse Kidangen has given a special session for X and XII students and their parents focusing on how to manage the time for great achievement in life.

SENARIO -MAGAZINE

Ideas shape the course of history as the pen is mightier than the sword .The school magazine Senario's the window to various school activities School magazine widens the knowledge and helps in developing the power of writing in budding writers. The magazine highlights the success and achievements of our students.

(To know oneself is the great knowledge.)

Spiritual support

We prepare the children to grow in spiritual quotient. In the beginning of the academic year we offered holy mass for all the students to understand that the real wisdom comes from The Almighty. Our school is blessed by the very presence of Mother Mariam Theresa whose relics were brought to our institution and the great presence of this saint really moved the spiritual attitude of the students. Similarly the Patron Saint, "Infant Jesus" also visited our institution.

Charity

Our children are good enough to extend their supporting hand to the poor. The natural calamity of the last year really touched our students deeply. They supported the fishermen through their small savings. Nearly 60,000 rupees was collected from the students and 110 bags of rice and groceries were donated for the wellbeing of the fishermen of Maravakadu.

We feel proud and happy to say that in connection with our Christmas celebrations, the little little contributions by our little angels did console many poor and needy.

Our school is well equipped with the latest technology powered with non conventional source like solar energy. St. Juliana's LP block in the event of a power failure runs on Solar energy. Smart Board, Solar Power, CCTV, Bulk Sms service, Whatsapp group etc. are some other examples

STAFF MEETING

An efficient teacher builds efficient society. Understanding this reality every month we conduct evaluation meeting. In the meeting, achievements are lauded, at the same time we evaluate our weaknesses and failures and comes up with possible solutions. This is the time when new and innovative ideas and approaches are propounded.

CONCLUSION

All the achievements of the school were made possible with the co-operation of our highly qualified and dedicated faculty. Our thanks to the PTA Executive Committee for their able guidance, support and encouragement. If I were to put the events in a nutshell, we encourage a child to observe, to explore, to experiment, to probe, to analyze, to confront problems and to find the solutions and finally to develop the skills essential to face the future.

I would like to conclude by extending our sincere thanks to all the parents and each one of you, our well-wishers who have lent a supportive hand throughout the years in all our endeavor to produce a confident, educated and capable batch of students. I also extend my sincere thanks to non-teaching staff. I hope you will enjoy the cultural programme by our students and have a pleasurable evening.

Thank you.
