

ANNUAL REPORT - SCHOOL ACADEMIC YEAR 2021-2022

INTRODUCTION

“Learning gives creativity

Creativity leads to thinking

Thinking leads to knowledge

Knowledge makes you great”

Dr. A P J Abdul Kalam

St. Juliana’s Public School abides as a foundation that fabricates children’s strength and celebrates their achievements, by recognizing their accomplishments, through the joy of learning. SCINTILLATION 2022, highlights a vivid picture of the school and school affairs. It scaffolds in developing the co-academic qualities of the students in various aspects. This magazine provides a space to grant equal opportunities to exhibit their talents, creative vision, critical thinking and innovative ideas.

WORKSHOPS AND WEBINARS - THROUGH A NEW FACE LIFT

The Covid 19 pandemic turned the entire academic programs, to take up a digital platform in the year 2021- 2022. Thus, online learning has become a critical life line for education, by shifting from face to face learning to online learning with all its hurdles, hiccups and challenging difficulties. Thus, it was necessary to adopt the new teaching technology to provide a better learning environment to our students. Hence, the school management under the guidance of the Principal, Sr. Mercy John organized an orientation program for the teachers to upgrade and update their teaching skills in a virtual classroom environment.

The virtual orientation programme for the staff was conducted by a prominent person, Mr. Pradish Prasad, the founder of Phoenix Career and Softskill enhancement firm at Kochi on 27th May 2021.

On May 31st a prayer service was conducted for the teachers.

THE COMMENCEMENT OF THE ACADEMIC YEAR 2021 - 2022

On June 1st, all teachers welcomed the younger buds through the google meet with zeal and enthusiasm. After the opening ceremony through the virtual platforms, an online general body meeting and Class PTA was held. The renowned motivational speaker Advocate Charly Paul had given a good message on topic 'Be as we are parenting' to all the parents and a detailed discussion on online learning platform, WeBex were accompanied under the guidance of Sr. Mercy John. Thus from June 2nd onwards regular online classes commenced through WeBex platform for students from classes I to XII.

A SWAP TO E-LEARNING.

Right from the beginning, we created awareness among our children about the onslaught of the virus, how it spreads, and preventive measures that they must adopt. Along with that, we made it easy for our tiny tots to use the new virtual platforms too. Thus, for an effective teaching learning experience our classes were conducted using WeBex platform along with google classroom. To handle the classes productively, along with teachers a hosting staff was also assigned. Hence by providing the resourceful method of learning we have monitored our students frequently so that the pandemic will not hinder their academics.

CLUBS

‘The quality of life is determined by its activities’

Along with academic excellence multiple varieties of co-curricular activities must be given to students to make learning joyful and productive. Thus for the current academic year various co-curricular activities were held under different clubs to groom the mental, physical, moral and social skills in co-scholastic areas.

- Science
- Maths
- Social
- Language (English, Malayalam, Hindi)
- IT

In addition to these co-scholastic activities a presentation on various topics needs to be presented by each student before the commencement of the class. This will develop a skill to present themselves in the society, with confidence.

OBSERVANCE OF IMPORTANT DAYS THROUGH VIDEOS AND POSTERS.

Even in pandemic times insightful, informative videos and posters were shared to the class groups to generate a strong awareness among the pupils on the observance of these days.

SCHOOL PARLIAMENT ELECTION

A School Parliament provides an opportunity for students to be involved in school governance and decision making through a group of democratically elected students who represent the views of all students at the school. It makes an awareness in the students about the parliamentary system and enables them to evaluate the current situation and to behave with responsibility.

PTA

Parents are the most strengthening catalyst in moulding the future of the students. Their constant efforts and support empowers the school management to do the best even in the surge of pandemic. Thus to improve the parental relationship with the teachers and the management we often conduct meetings and discuss ways to improve the academic performance of each student, specially focusing on students of Class X and XII. Our PTA president Mr. Antony Jaishan, supported by nine executive members and various committee members rendered their service for the smooth functioning of online and offline classes. Furthermore, they have extended their helping hands by marking the zebra crossing lines in front of the main entrance of the school campus highlighting their sincere dedication.

REPORT OF "HOTS OLYMPIAD"

On 29th February in connection with WIZIKLUB "International HOTS Olympiad" was conducted virtually to focus on developing core aptitude and logical reasoning abilities in kids. 243 students registered for the prelims and 105 students received cash prize and were qualified for the semifinals.

CONCLUSION

School is a place where both the teachers and students explore the world of knowledge. St. Juliana’s Public School offers a wide platform to integrate their talents in scholastic and co-scholastic areas. Even in the midst of Covid 19 Pandemic, we have succeeded in providing qualitative and productive educational opportunities to excel in all spheres of academics. So we hope that through the constant support of our staff and PTA we would be able to illuminate the path of many younger buds.
